

VILLAGE OF EDWARDSBURG  
CASS COUNTY, MICHIGAN

**SHORT TERM RENTAL  
ORDINANCE NO. 2024-01**

AN ORDINANCE TO ADOPT SHORT TERM RENTAL REGULATIONS  
IN THE VILLAGE OF EDWARDSBURG, CASS COUNTY, MICHIGAN.

**Section 1. Purpose.**

The Village Council finds that the short-term rental of single-family dwellings in the Village is a matter closely connected with the public health, safety, and welfare of the community. The Village Council has enacted this Ordinance in an attempt to strike an appropriate balance between the interests of community residents, community business owners, visitors to the community, and real property owners wishing to engage in short-term rental of single-family dwellings.

While visitors to the community who rent single-family dwellings on a short-term basis bring many benefits to the community, they can simultaneously create concerns surrounding issues of traffic, parking, congestion, litter, noise, and other similar issues. Meanwhile, issues related to fire safety and life safety codes must be considered in order to maximize the safety and well-being of all in the community.

The Village Council finds that the areas of the Village with predominately single-family dwellings are especially susceptible to the negative effects of short-term rentals, since these areas are the least intensively developed residential areas in the Village. Thus, this Ordinance will regulate short-term rentals of only single-family dwellings.

**Section 2. Definitions.**

When used in this Ordinance, the following words and phrases shall have the meanings ascribed to them in this section:

Dwelling - Shall have the same definition as in the Village of Edwardsburg Zoning Ordinance.

Local Agent - An individual designated to oversee the short-term rental of a dwelling unit in accordance with this Ordinance and to respond to calls from renters, concerned citizens, and representatives of the Village. The local agent must live or maintain a physical place of business within 20 miles of the dwelling unit used for short-term rentals. A property owner who meets these criteria may be the local agent.

Occupant - An individual at least 24 months of age who is living in, sleeping in, or otherwise having possession of a space. An individual present in a dwelling unit during the term of a short-

term rental shall be presumed to be an occupant unless circumstances clearly indicate that the individual is visiting between the hours of 8:00am and 11:00pm and will not stay overnight.

Owner - A person holding legal or equitable title to a single-family dwelling. An owner may designate an agent to perform duties or receive notice under this Ordinance.

Rent or Rental - The permission, provision, or offering of possession or occupancy of a single family dwelling with some type of remuneration paid to the owner for a period of time to a person who is not the owner, pursuant to a written or verbal agreement.

Short-term Rental - The rental or subletting of a single-family dwelling for compensation for not more than 29 consecutive nights total in a calendar year. Transitional houses operated by a charitable organization, group homes such as nursing homes and adult foster care homes, substance-abuse rehabilitation clinics, mental-health facilities, and other similar health-care related facilities shall not be considered short-term rentals.

### **Section 3. Registration required.**

- (a) *Annual Registration Required.* All short-term rentals **must** be registered with the Village on an annual basis. No single-family dwelling may be used as or advertised for a short term rental unless registered in accordance with this Ordinance.

An owner who wishes to rent or advertise a single-family dwelling as a short-term rental must register the single-family dwelling for each calendar year during which the rental or advertisement shall occur. The owner shall pay an annual administrative fee, the amount of which shall be established by resolution of the Village Council.

- (E) The maximum number of occupants to which the applicant intends to rent the dwelling unit in any given rental period, subject to any applicable local, state, or federal laws, regulations, or ordinances (this information must also be included in the rental agreement and any online or other advertising for the single-family dwelling);
- (F) The number of days at a time the owner intends to rent the single-family dwelling as a short-term rental, and the months of the year during which Owner intends to do so;
- (G) The rental agreement for the single-family dwelling to be used as a short term rental;
- (H) Statements certifying the following:
  - 1. That each bedroom has a working smoke alarm, that there is a working carbon monoxide detector on each floor, and that the owner or local agent will check those devices at least every 90 days.
  - 2. That the property owner consents to inspections by the Village and will make the dwelling unit available to inspections upon request.

## **Section 5. Violations; revocation of registration.**

Prior to such revocation, the Village shall schedule a hearing before the Village Council and notify the owner in writing at least 14 days prior to the hearing of a time and place for that hearing. At the hearing, the owner may present evidence that the requirements for revocation provided in subsection (c)(1) are not satisfied, or that the owner should not be held responsible for one or more

of the two requisite violations due to extenuating circumstances. Extenuating circumstances may include circumstances such as: (i) the violation was committed by a non-renter and the renter(s) attempted to prevent or halt the violation; (ii) the violation resulted from an act of God; or (iii) other circumstances that the owner could not reasonably anticipate and prevent, and could not reasonably control.
